“ To Russell, Kyle , Alan and the rest of Shelby's Family,
I was so sorry to learn of Shelby's death. I had just found out
Thursday how sick she has been and that
she was in the hospital. I have very fond memories of working with
Shelby in ICU at the Mattie Williams
Hospital. She was the best aide I worked with...very rarely had to
tell her what to do. She loved you all very much and spoke of you
very often. I am sorry she had to suffer so much with her illness, but
I know she has none now. I know she will be missed by you all but
she will always be in your heart and only a thought away. May God
comfort and guide each of you as you cope during this difficult time.
I will have you in my thoughts and prayers.

Love ,
Jane Ellen

Her Journey's Just Begun

*Don't think of her as gone away-
Her life's journey's just begun
Life holds so many facets
This earth is only one.*

*Just think of her as resting
From the sorrows and the tears
In a place of warmth and comfort
Where there are no days and years.*

*Think how she must be wishing
That we could know today
How nothing but our sadness
Can really pass away.*

*And think of her as living
In the hearts of those she touched...
For nothing loved is ever lost-
And she was loved so much.*
