“ Momaw, I want you to know how much i love and miss you but it's not just me everyone loves and misses you so much, I can't imagine what my mom, Aunt's, Uncles, and popaw feel, but i know i'm hurting really bad but i know they are hurting worse, You know i saw you twice sunday, the first time i just wanted to see you and popaw, the second i wasn't gonna go back to your house but something told me i needed to, I saw you yesterday at the hospital you looked so peaceful, but i also see you in my head out on your porch on your swing with popaw telling me bye and you loved me sunday that's all i see in my head. I want you back everybody wants you back. You never called me Samantha you nore popaw y'all always called me Sammy Jo. I sit and look at the smaller childern in the family and some don't realize you are gone, but when they ask where you are I tell them you are in Heaven and god got him a beautiful, sweet, loving, caring, Angel to help him watch over us. I'd give anything to have you back, WE all would but Momaw, I know one day we will meet again all of us, and we can all be angels just like you God got the best when he got you. I Love you and miss you and not a day will go by that i won't think of you because i will, You were the peacemaker the heart of the family, You got my word and everyone elses, we will look after popaw for you. So as Ashley Said we will see you later or soon. May You rest in peace you beautiful Angel.

Love alway's Sammy Jo.
