“ Aunt Shirley, You the type of lady that never can be forgotten, the lady that never forgot dates. You could always have a conversation with anybody. I wish i lived closer to all of Dad's family, I am sure i missed out on some really good times. I will miss you and Aunt Peggy's surprise trips to town, the way you and Aunt Peggy always teased each other. I will miss you both. I love you and will miss you all very much.

Love you all
