“ John & Julie,

It is with great sadness that Keith and I heard of your mother's passing. My heart goes out to you and your families. I have wonderfully fond memories of your mom when we were teens. She was always so very kind to me. I think of her as the beautiful and elegant lady she was. She embodied, "joie de vive." Since leaving Richlands anytime there is the scent of White Shoulders lingering in the air thoughts of her and our times together put a smile on my face. I will remember her always!

Please give your father a big hug and a kiss for me. Tell him that he (and you) are in my thoughts and prayers!

*With Love,
Alisa Simmons-Snapp*

PS I just told our daughter Bridget and in disbelief she said, "Shirley White, no way. She's the bomb." Even the next generation adored your mother.

“ Dear Jim,

Not long ago I had asked Jerry Casey about you and Shirley. He'd seen you somewhere and brought me current on the two of you. Shirley was a great friend to me when we moved to Richlands close to Christmas. We were about 2 houses apart. Jeanette made sure I had a gift when it was time for the students in the 6th grade to exchange gifts. Of course, it was from Santa. I've never forgotten their graciousness. We have a wonderful hope that in the not-too-distant future we will see our loved ones again. Harold Woody, my first husband, was her friend also, and I'm sure they had a great reunion! Blessings on you Jim. I know what you are facing but God is good all the time, and all the time God is good.
