“ Dear Frances and family, I'm very sorry for your loss of your precious loved one
I wrote a poem that the Lord gave me and I would like to share it with you.

Look Beyond

*Look Beyond my dear children
look beyond the grave
look beyond those tears
look beyond the pain
and know that I have gained eternal life thru Christ
look at the sky, look at the stars, look at the beauty of the universe
and know that I am with the maker of all these
thru Jesus Christ you can look beyond for in him there is no pain, no tears, no death and I am not dead but alive and with my saviour whom I Love*

*So look beyond the bad and look at the good ,look beyond for with Christ there is life
If your not covered by the Precious Blood of the Lamb
Please look beyond your sin and see in him you too can have eternal life*

*Look beyond the days without me on this earth
but know that you to can be with me for I live
So look beyond child and live for we can see beauty if we desire
and I see beauty in all my children as God see the beauty in all his children
again my children I say to you look beyond
Arise and hold your head up high
And know that I am with the Lord
And I love you all and I want you to look BEYOND*
