“ i am so sorry to hear about stella, she was a wonderful person. her and doug seemed more like my brother and sister instead of cousins. she will be greatly missed. all of you are in my prayers. i love you all very much. some of you may not know me, but i am denver and ernistine wards daughter. i am sorry i can't make it in for the funeral, but the roads are too bad, and my husband is very sick and i can't leave him. i hope you all can find comfort in knowing that stella is with GOD, and all her pain and worries are over. i hope you all can turn to GOD for the help you need to get through this most trying time in your lives. it is very hard to lose a mom and dad, but for billy and brandi to lose a child also, i can't begin to understand the pain you are going through right now. but i do know that with GODS love and help, you can make it through. bye to you all. i love you all very much. love and prayers judy.
