“ *Cecil, I was so sorry to learn of your mother's passing. She was such a dear person, a genuine lady. She always had a kind word for everyone. I don't remember not ever knowing her. We would have long talks when I did her hair and she would often reminisce. My mom and her were such good friends and her yard was one of the first that my son mowed many years ago. I hadn't seen her for awhile but I still knew she was there and I will surely miss her. Know that you and your family are in our thoughts and prayers. Jill*
