“ Rosa, I am so sorry to hear of Steven's passing, but I feel he is in a better place now and keep in mind he has no more pain. I know exactly what your are feeling right now, but God will help you through. I wish I could be there with you but I have not been doing very well myself. Please if there is a need to talk or if I can help in any way I am just a phone call or e-mail away. With all my love,
Delcia

“ I wanted to take a moment and express my sympathy to your family. The pain of losing a loved one is very great. It is comforting to know that our dear heavenly Father is there to help us. In 1st Peter 5:7 we are told to throw all our axiety upon him because he cares for us. The Bible promises that soon death will be done away with and Jesus promised that there would be a resurrection(John 5:28) Is 33:24 tells us in the future "no resident will say I am sick." May you fing comfort in our grand Creator. Sincerely, Christina
