“ Susan was more than just a family friend. Eventhough she wasn't, we always called her our "sister-in-law". she has been a part of our family for about 15 years and was a very sweet person who loved to talk! She loved attending church and we all looked forward to family get-togethers. She wasn't able to attend the last one and we missed her being there, but I'm sure she is now gathered in a much better place where she will experience no more pain. She has finally received her healing. We will surely miss her. Rest in perfect peace Susan.
