“ *I still can't believe it but it finally hit me when I went to visit granny and walked to your house,waiting to hear your voice and see your face. It feels like a bad dream and we just wanna wake up. We all miss you so much. I've never met anyone quite like Suzie, so many qualities so much love the word huge heart doesn't do her justice her heart was enormous. I could go on and on She was so many things but one word comes to mind Amazing! We have lost an amazing person! I will miss you my friend especially your laugh. I pray for your friends and familys pain to be eased and to make it through knowing how many lives you've touched. Hevan has gained an angel Fly high and fly free!*
