“ *I worked with Teresa at Frontier Health in Bristol, TN. She was a delight to be around. We used to have lunch together and I would always talk to her about the Lord. We would share e-mails with each other and she could always make me laugh. She had such a sweet spirit. She will be sorely missed. I pray God will fill the void in your hearts with his love and strength. God Bless you all.*

My sincere and deepest sympathy in the loss of your beautiful daughter. Her picture looks so much like her Aunt Dolly when we were kids. I can't imagine what pain you and your family are experiencing, but I do know with God's help, He will see you thur this. My praper is that God will bless and comfort each of your family. It's been many years since I saw you, but I still cherish the memories and friendship that we all shared there on 4th street when we were growing up. In loving friendship. Pat Reedy Warner*

“ *Teresa was a wonderful and kind hearted person. I worked beside her every day since she came to the Kingsport office and she made working fun. She told funny stories and we laughed alot. I will miss her greatly! She loved her family but most of all she loved Timothy. He was the light of her world. We knew all about him because she talked about him all the time. Our kids were about the same age so we talked about them alot. Just know that her last few days on this earth were filled with laughter and fun. She loved and knew that she was loved. She had Bible scriptures taped to her computer and in her desk. I know that God was with her and she is with Him and her daughter right now. My thoughts and prayers are with each and every one of you.*
