“ *Terri and I first met when I was her teacher at RHS. We were also neighbors, fellow teachers, and became friends. She was one of the sweetest people I have ever known. She always had a big smile on her face, a positive outlook, and really cared about others even when she was going through her own tough times. Fly high, Terri. You will be so missed!*

“ Terri was an exceptionally intelligent and socially-conscious teacher and mother, with a courageous spirit. I recall many hours at family gatherings enjoying her ideas and plans for education in general and for her career in particular. She seemed to me to be fully-human in every way. Her sense of duty to others is what resonates in my recollection. I am grateful that she was in the world.
love,

I am so very sorry to learn of Terri's passing. She was an amazing lady! She was fantastic with her kids and there wasn't a student that didn't love her!
Thank you for sharing this terrific person with all of us! The sky is certainly a little dimmer today. God chose one of His brightest stars to take home.
My deepest sympathies for your loss.

“ My heart is heavy and no words can express the pain and love I have for this family. I knew Terri from the time she was a baby and am so proud of the young woman she became. To the family I can only say that God needed her and the hearts and minds she touched here on earth will always be a light. We will always have beautiful memories and she will never be forgotten. Keep faith and have strength for the purpose of her young life was taken so soon. Love to all.
