Terry was my uncle, and I am so sad he is no longer with us. I have so many fond memories of him, and I will cherish those memories forever. I take comfort in knowing he is in a wonderful place free of pain with his mother, father and brother in heaven. My thoughts and prayers are with the Fletcher family during this difficult time. Even though I cannot make it to the memorial, I am there in spirit and send my love. Terry was a good man who will be remembered by all who knew him.

Judy, Eric, Jennifer, Lorraine, Graham, and other family members, We were sorry to learn of Terry's passing. The last time I saw him was at the hospital, battling his cancer. He fought so hard. We will be unable to attend his memorial service because of a commitment out of town. However, your entire family will definitely be in our thoughts and prayers. God bless you all. Alice and Jack

“ I will always remember when we would get together on Fridays and make home made pizzas. Some of Carson and my best early memories are times spent with Terry and you, Judy. Allison took her first steps to Terry and both my girls think he was so handsome, and he was. More than that however, Terry was a good man. We truly loved him.
