“ Coach Monk coached me at Castlewood my senior year. He was my quarterback coach, I learned a lot from him that I still teach to my players today. He was well liked and respected by every player on our team. He will truly be missed by everyone. He was a great role model for us.

“ *Terry meant alot to me. He thought I was going to be his little sister when I was born. He would come over and watch Scooby Doo with me, swim in mamaw's pool and have fun being a kid. He also made sure no one picked on me at the bus stop. I love him and it breaks my heart that he's gone and went through all that pain. Now he's with Jesus, his mama and grandparents and will suffer no more.*
