“ *To Eddie, Sonja, Karen, & Marcie
We will miss your mother and a dear friend. I have so many fond memories of Thelma, She was like a 2nd mom to me and a mama to my children. You girls are like sisters to me and I will never forget all the good times we have had together. Your mother was one of a kind, always there when you needed anything. Years ago she welcomed me into her home, and made me feel like family. I will cherish all the memories of her with Gary especially. I love all you guys very much. May God wrap his arms around all of you.
Love always, Ann*
