“ Even though we didn't talk very much or see each other often, we did share emails and phone calls about our wonderful grandchildren. You and Harlan were so good and special to them.

*I couldn't wait until you moved to the lake house. Since it wasn't far from me, I was going to pick you up and take you to the mall where we have an antique and collectible shop and then to the thrift shop we go to in Culpeper. I had planned on some day trips to some other thrift shops that are great. I know you loved them.*

*I will be watching Danielle and Allen from here and I know you will be watching and protecting them and your children Jeanne, Judy and Lonnie from heaven.*

*You were a wonderful loving person and I will miss you.*
