It was with great sadness that I learned Saturday afternoon that Theresa had passed away. We were classmates through much of our K-12 years. As another poster pointed out, she was always smiling. For many years I lived away from this area and saw classmates only very rarely. About 15 years ago, on a visit home, I ran into Theresa at a local retail establishment. Still as friendly and kind as ever. There obviously was no way to know that was the final time we would ever speak to one another. My prayers go out to her family and loved ones. Theresa was a kind and loving person. May she rest in peace.
