“ *Laura, my heart breaks for you. I know how you feel, the same happened to me with my dad. Someone told me this shortly after he passed & to this day it still helps comfort me. She said "here on Earth your dad was your hero & protector, but could only be with you physically. Now, he is in the wind, the rain, the sunshine & snow. He is all around you! Now he's your guardian angel looking down on you & STILL protecting you WHEREVER you go. My heart goes out to your entire family & if you need a friend, I'm always here* ❤️ *Much love*
