“ *Robbie I know that you are in a better place but it hurts to know you are gone. You will be missed. Never seen a time you didn't have a smile on your face and a joke to tell. I never got to tell*

You goodbye or just how much I loved you but I did love you very much and it's not goodbye it's I will see you later. You ran a good race and in the end you won and now you can rest easy with God. I'll never forget being little and you and Red (little Teddy) staying at our house and you wrapping bags around his feet because you said they stunk so bad haha. I love you and take it easy!!!
