“ Sis;  
We are so sorry for your loss. Tom also meant a great deal to myself and Sandy. I cannot remember the times that Tom would yell for me to come to the shop to tell me that he needed a machine out of the warehouse, and I would say Tom that is the machine that I took to the warehouse yesterday. He would just laugh and hand me a list of another truck load that needed to be brought over just as soon as possible.  
We cannot be there with you Jeff&Steve but we will be thinking of you.  
If there is anything that we can do just give us a call . Again we are so sorry.
