“ I should have told you how much you meant to me more often than I did. But through my actions toward you I am sure you knew and I know the feeling was mutual. You always come up with something crazy to make me laugh. You thought we were getting something on Sis when we would go to breakfast without her, then she found us one morning. We both are at a total loss without you. Your star will shine above our house in your memory. You are in our thoughts and in our hearts forever. Don't know why this had to happen to you but no one else can harm you in any way again. You are in God's hands, until we meet again enjoy your mansion, Sis is not there yet to move things where you can't find them and you never said anything to her about it, that's LOVE. I hope you know that I tried to fulfill YOUR WISHES that we discussed until the end and will continue to do so.

“ *DEBBIE,
I'M SORRY FOR YOUR LOSS. MIDGE WAS A GREAT GUY AND I
KNOW HOW MUCH YOU WILL MISS HIM. JUST TO MAKE YOU
SMILE THERE WAS A COUPLE OF TIMES I COULD HAVE
STRUNG HIM UP MYSELF, BUT I COULD NEVER STAY ANGER
AT HIM FOR LONG, HE HAD A WAY ABOUT HIM THAT ALWAYS
MADE PEOPLE FORGIVE HIM AND GO AWAY SMILING
THINKING YOU HAD DONE SOMETHING GREAT AND MIDGE
THINKING HE HAD GOTTEN ONE OVER ON YOU. I SO SORRY
THAT HE HAD TO SUFFER, HE IS WITH GOD NOW AND NO
MORE SUFFERING. MY PRAYERS AND THOUGHTS ARE WITH
YOU. I LOVE YOU AND I'M JUST A PHONE CALL AWAY IF YOU

“ *I hate so bad to hear about Midge, MY GOOD BUDDY. I came to Richlands to live with my wife and one year old child. We had no where to live. Midge and Pat let us live in their trailer in their back yard. They were so good to us. Midge loved to work and play in the garage, he would say I am the KING of the garage. I joined the navy but kept in touch. Midge and Pat moved to Virginia Beach where Midge worked as a welder at the shipyard in Norfolk and was doing really good. “ We want to express my deepest sympathy to the Boyd family on the lost of my dear Midge. He was like a big brother to me growing up in Baltimore and an uncle to my children. I have many good memories of him. Midge had a sweet smile and contagious laugh. He had a great sense of humor, telling jokes and funny stories. Midge could always make you laugh. I would love to hear him and Poppy sing. Midge was so kind-hearted, he would give you the shirt of his back or the last penny in his pocket. Midge was never afraid to tell anyone that he loved them and said it often, I am so grateful to have loved Midge. I know the sadness you all feel, as I too feel the loss of Midge passing.

You may be gone but never forgotten.

My deepest and sincere sympathy,

“ Midge, Today you didn't call and say Happy Birthday GEORGE, but, it's ok I Love you anyway, I have been called many things in my life , Husband, Dad, Friend, Preacher, Pastor. But Midge, out of all the titles I have mention above I Love when you would call me YOUR BROTHER. I remember all the good things, getting me out of jail, co-signing for a motorcycle, all the lies you told mom and pop to keep me out of trouble, (which didn't work most of the time), Before I met the Lord. There is not a day goes by I don't shed tears over my great loss. I PRAY to GOD that someday when we met again, you and I can say again ((BROTHER)) for ever.

“ *Dad and Mom,*

We are so sorry for your loss. We know how much you love Midge. Having an inside perspective, we have seen the many silent sacrafices you made in his behalf. Dad, I know that Midge would have loved to have had the opportunity to thank you for the many nights and days you alone spent by his bedside at Wakeforest. Mom, have seen many holidays that you would have loved to have been somewhere else with the grandkids, but you put yourself on the back-burner because you wanted to make sure Midge was taken care of with a traditional holiday dinner and not left alone. We hate that the rest of the friends and family were not able to put their feelings aside to be be able to grieve for Midge as loving friends and family should. Just know that we love you both very much and we know the truth.

“ *This is for Midge,*

In the last year, you really tried to change your life. For the first time in many years, you were sober. You had a little twinkle in your eye and you told me you felt more alive now than you had in years.

You broke away from alot of bad influences in your life and you had actually just started living! We were all so proud of you and who you had become. I am sorry your time was cut short, but maybe God knew you were at a time in your life that you were ready.

You left behind a good memory, a sweet grin that will always shine in our hearts. Love and miss you my friend....

“ Midge was a very loving uncle who enjoyed his family and friends. He loved spending time with loved ones. I am unnerved at some of these e-mails that have been sent about Midge and my family this is the time for everyone to come together and be appreciative of everything that was done for Midge in his time of sickness and death. But for those that can't say anything good in this time of sorrow, because this is not respectful to anyone. Remember Matthew 12 verse 36... But I say unto you, That every idle word that men shall speak, they shall give account thereof in the day of judgement. GOD IS LOVE!

“midge was a good friend, he would give the shirt off his back if asked. he loved animals and especially old dan! I am a christian and love my brothers as myself and pray for all, and at a time of sorrow no one needs to enlighten another individual of their faults or short comings when we may all not know the true story of many things which transpired during the death of a loved one! I loved midge and I love his family not some of the family but all his family, I have dealt with the loss of a loved one and the greif is sometimes hard to bear, but if man can not love his brother or sister here on earth whom he can see how can he love God whom he can not see! my deepest sympathys go out to my dear friends Danny and Debbie who stood by their brother and did all they could to save him from destruction and ruin because of love, caring and dedication beyond the call of duty. God bless you and Midge and if I behave myself maybe I will be able to see midge some day! God bless all!

“ Dearest Midge,

I will always cherish our many years of memories and all of our heart to heart conversations. I feel truly blessed that we could share you're 62nd birthday at the house. We all enjoyed the songs that you sang for us, even though your mouth hurt, you wanted to sing to us. I never dreamed that January 4th would be the last three times that we would ever speak with each other. I thank God for allowing you to be part of my life and allowing you into the lives of both my family and our neighbors. You were a soft hearted and non-confrontational person. You will be greatly missed by all of us.

Billy and Freddy, Midge LOVED you very much and and also REALLY LIKED you. He cherished each one of your children and was proud of them.

Billy, he always depended on you to tie his neckties and was so proud of you for serving your country.

Freddy, you always LOVED him unconditionally and was his trusted confidant. You made him feel so very special and I thank you for that.

Debbie, he loved you very much.

I especially want to thank Mr. and Mrs. John Martin, Mr. and Mrs. Joe Griffith, and David Quesenberry for their years of loving care for you and all the rides given to do your errands. Let's not forget your good friend DAN, your "canine companion" of 5 1/2 years.

I shall not say goodbye, but till then, FOREVER IN MY HEART, Pat (Sweetie)

May God hold you gently in his arms.

“ I am so very sorry for the loss of Tivis. My mom always talked about what a kind and gentle person he was, I wish I had the chance to meet him in person. Please take comfort in the knowledge that he knew he was very loved by all of you.

*"Don't grieve for me, for now I'm free,
I'm following the path God has laid you see.
I took his hand when I heard his call.
I turned my back and left it all.
I could not stay another day
To laugh, to love, to work or play.
Tasks left undone must stay that way
I found the peace at the close of day.
If my parting has left a void
Then fill it with remembered joys-
A friendship shared, a laugh, a kiss
Oh yes, these things I too will miss.
Be not burdened with times of sorrow
I wish you the sunshine of tomorrow.
My life's been full I savored much,
Good friends, good times, a loved one's touch.
Perhaps my time seemed all too brief
Don't lengthen it now with undue grief
Lift up your hearts, and peace to thee-
God wanted me now, he set me free."*

“Debbie and Danny, I was saddened to hear about "Midge". I never met "Midge" but anyone that knows you knew that he was a special brother and loved one in ya'lls family. He was always mentioned in conversation and you always spoke about him, which showed your love and care for him. Additionally, You were there when he needed you. Undoubtedly, you will miss "Midge" greatly and think of him daily. May his many memories last a lifetime and may they help to keep you laughing and smiling as you cherish all of them, as I know you will. I Pray that God's Gracious Hand Rests upon You and the entire Family during this difficult time, and May God's Healing Hand Help Ease the Sorrow by giving you Strength, Courage and Comfort. “Amazing GRACE !
I recall our many discussions concerning the "GRACE" of the GOOD LORD JESUS CHRIST. How he died for each and everyone of us, so that sins may be forgiven! I know in my heart that you are with GOD ! The Grace and the Mercy of the "BLOOD OF THE LAMB"- LORD JESUS CHRIST- IS WITH YOU ! THE LAMB OF GOD who takes away the sins of the world. You have been called to his supper. Go with GOD ! When we all get to Heaven, what a Rejoicing it shall be. The Victory is yours! Your family, your extended families and your many friends grieve your absence. Mom will replace her daily phone calls, to you, with PERPETUAL PRAYERS!
PEACE BE WITH YOU AND WITH ALL OF THOSE YOU LOVE!

I send my heartfelt sympathy to you. I don't know if you remember me , I lived in the trailer in Pat & Midge's yard for over 10 years. Midge would bring you over & we would sit under the tree & of course he would sing to us. The last time I got to hear him sing was at a small BIRTHDAY PARTY we gave him at Judy & Ronnie's house for his last birthday. He sang Hello Darling to me , and that is what he has done since 1984. He then sang SOULMATE & YOUR MAN to Pat,he sound just like Josh Turner. He was so full of LOVE and very happy dancing and singing that night. We really enjoyed his GOD given talent. I will always treasure that night in November & will never forget his beautiful singing. It was a pleasure to be his friend all these years A friend like Midge comes along once in a lifetime.Midge was a PEACEFUL , LOVING,KIND PERSON. I will miss his friendship, laughter, and HUGS. “ I had the great pleasure of meeting Midge over this past year when I accompanied my friend Brandon to his cousin Courtney's wedding in Richlands. We spent a good amount of time with Midge out in the yard relaxing and talking about experiences, love, and music; the good things in life! It was unfortunately a very short encounter, but I knew something about Midge instantly that no one had to tell me. Midge was a great person, and a good man. It was very obvious that all the people which he surrounded were happy to have him around, spend some family time together, have a good laugh with. My condolences to all of Midge's family and friends, I'm thankful to have been able to meet such a wonderful person. I'm sure we'll all be able to sit around and talk together again someday. God bless.
