“ *Zora Mae and Susie*

I was so saddened in seeing that your mother had passed away. In my life she meant so much to me. I am fondly remembering some of our time back in West Raven. She always had a kind word to say. I am here in Knoxville and wont be able to be at her funeral; but please know that both of you will be in my heart tomorrow and I will stop and say a prayer for each of you and your families.

Love
