“ Few people I have encountered in my life have had that "Joie de vivre" or cheerful enjoyment of life like Tonya had in school. She was a leader in many school adventures. She was mischievous as were we all, though she could flash a smile so brilliant it would melt the hardest of hearts. She didn't dress to impress, she dressed to express. She was a trustworthy confidante and always the girl you wanted watching your back. I will miss Tonya though I will relive our memories with a bittersweet irony. We lost touch after school, but she was always in my heart. I will be lifting your family in prayer that God will give you His Shalom Peace, nothing missing and nothing broken. Jane, thank you for bringing Tonya into this world. In her own way, she made my school years so much more liveable.

“ Jane, Tyler, Andre---I am so sorry to hear about Tonya. She was a very good friend of mine in school and a few years later. She seemed to always have a smile. Maybe this will make your hearts smile--after she had Tyler and I was pregnant with Trevor, my mom & I saw her at the mall and she told me "Mel, its scary. They just send you home with this baby and dont give you a manual or instructions or anything". When I told mom about her passing, this is how she remembered her. Also, when mom had her wreck in 95 Tonya was the first one on scene and called me & was a big help to both of us. She will be remembered fondly. You all are in our hearts & prayers.
