“ *Brenda, I was so sorry to learn about Troy. I remember him so well as a patient when I worked for Doctor Scott. He always had a smile. I saw him several times after I retired, he always gave me a hug, and asked how I was getting along. Brenda, my thoughts and prayers go out to you and your family.*

*I meet Troy in the '60's through Roger. They were big buddies. Then of course he married Brenda is she is related. I am sure he will be missed. I hope he is having a big reunion with those friends and loved ones who have gone on. May the family be comforted during this time of great loss.*

“ Troy, missing you from the eyes of our grandchildren will never be the same. These two boys loved you more than words can express. Just one week ago you took them walking down the mountain. (I know how excited they would get whenever talking about the minnows and grasshoppers you would help them catch.) You always took time to be there for them. I respect you for being genuine, I respect you my friend for being you.
