“ Troy and Bobby Lowe were my best freinds in high school and many years after. My mom used to call us the "Three Musketeers". I got married, moved to North Carolia and as people do, I lost touch with him. I am sorry I only just found out that he has moved on. I'm going to miss you buddy. We always think there will be time to catch up with old freinds. You'll always be in my heart and in my memories. I really can't express my sympathy to Troys family enough. God Bless You. Tim Brown

“ *Those we love are never really lost to us.
We feel them in so many special ways.
Through friends they really cared about
and Dreams they left behind.
In beauty that they added to our days,
in words of Wisdom we still carry with us,
and memories that will never be gone.
For everywhere their love lives on.*

With loving and sincere Sympathy
