“ Valerie, I will never forget you. You will always be in my and my sons heart. I loved you like a bigger sister that I've never had. You were more to me than just neighbors. I will miss you! I promise that I will look out for your mom. She's very special to me, too. I know you are in a very special place now...far away from all that pain. I love you and I will always will. You have a very special place in my heart... Love Gabi (with Jay and Lukas)
