“ Vernon, Shelia and Tara,

V.G. was so very special to me and always has and always will hold a special place in my heart. Diabetes is a horrible disease and V.G. had many struggles over the years. I'm a school nurse now and I think of V.G. almost daily as I have to care for children with diabetes. I want you all to know that I have your entire family in my thoughts and prayers and I will never forget V.G. and his sense of humor and great smile.

I pray that you all will find peace and know that he is in a much better place than we are and no longer in pain. I'm unable to attend the service but I will be thinking and praying for you all.

*Love,
Kendra*

“ The Woody family would like to send its sincere condolences to the Altizer family. V.G. was a friend who could always make me laugh ... he could be the center of attention in a crowded room. We said the Lord's prayer many times together before games and I will say it again tonight thinking of him. I am so sorry for your loss.

“ V.G. was such a wonderful person. He was fun and loved to make others laugh. I was a customer of his at the Shoe Repair Shop and just loved chatting with him. He always had an uplifting word for me when I stopped by. He was always the same whether you were at his shop or seeing him at a restaurant.

He will be truly missed by all! Rest in Peace, Friend!

“ VG was such a great friend to me. He was my best hunting buddy and I've been reflecting on some of the great times we spent together. I always looked forward to the big tales he would have when we got back to the truck. Of course he always made it seem a little bigger than it might have really been. VG and I always had friendly disputes over cars. He loved Ford and I loved Chevy. I know my old buddy is resting peacefully now and I hope the family and friends will have God's peace. Love you my friend.

“ *Vernon, Sheila, Tara, Brenda and families:*

My heart is broken over the fact that, in this realm, I will never hear VG crack a joke or be a "natural friend" to just about anybody. He never met a stranger, did he? He stood up and made sure that, after Daddy passed, that our lawn was always mowed; even with sports and stuff. He loved by action and I am grateful I grew up with him. Please take the ironic comfort that he was right were he wanted to be when he left. Although I am unable to be at the services, please have this affirmation that we will be praying for ya'll and there in spirit.

Love ya'!!!!
