“ Our dear Aunt Vicky, We love her and miss her already. She will forever hold a special place in our hearts. Our times together visiting Pigeon Forge, cooking, baking, sewing, shopping, dancing, drinking wine and sharing many, many laughs will keep Aunt Vicky alive in our hearts forever. She was one of the kindest, most generous people we knew. Whatever we needed...she and Uncle Billy always came through. They shared with us too many special memories to mention here. Our visits from Western PA to Cedar Bluff will never be the same without her. However, we will honor her memory and continue to enjoy Uncle Billy's company, just as she would expect us to. We are praying for comfort for our dear Uncle. He was her rock, she was the love of his life, and he will miss her dearly... Just like we all will until we meet again in Heaven.

Anyone who knew this woman had to be touched by her in one way or the other. She was always there to help. Always being here for all of us. She and Billy always made it to at least one football game and one baseball game each year that Zak played. Never missing a special event. Even though we were 5 hours away. She could never do enough for people. Even though our dads were brothers, she was the sister I never had. I hope she realizes what a wonderful man she had in Billy. He has been so strong through all of this and we love him for loving her so much. Rest In Peace. We love you!!

Vickie was a wonderful sister (in law). She was such a fun loving person and loved to do for other She was the happiest when she was cooking and feeding others and having a get together with family and friends. I am sure all of our loved ones in Heaven is rejoicing as she is welcomed home. My sweet brother has been so strong and I pray God continues to strengthen him. We shall soon be together again. Love you my sweet sister.

Our family lost a friend,a sister,and a beloved member. Vickie was there for anyone who needed a helping hand, a kind word or a great meal. She and my dear brother never said no when help was needed. She was always good for a laugh. She fought hard, we will miss her, but Heaven has a new angel.

I have worked with Billy for a few years now and I feel like I know Vickie because Billy always talked about her and the good times they had dancing and how much he loved her cooking. He always seemed happy when he talked about Vickie so I know he is heartbroken by her passing. Billy and Vickie are such caring and special people to all who know them and I'm sure she will be missed by many. My thoughts and prayers are with you Billy.
