“ Vic was a good uncle. I liked his sense of humor and the little dry comments he would make. The last time we visited, he constantly had my dad tickled about something or other. He treasured his friends and often said how caring they were. There is no one else like him, and I will miss him.

“ Vic, we will miss you forever. I'm selfish for still wanting you here  
with us. You told me one time you wasn't afraid of death but you  
didn't know how to say goodbye to Darryl and I. Our hearts are  
broken. Love you, Vic!!
