“ *Please accept my sincerest condolences. I remember as a child (with my parents) visiting your grandfather and grandmother (and Aunt Molly Day) during the time your Dad was born. I have always fondly remembered these visits--They all were such nice people and such a pleasure to visit and remember. - We lived in Jewell Ridge until I was eight, my Dad being manager of what was then known as the YMCA, which was located where the Company Store (Now Library building) is located-- We continued visiting after moving to Richlands--*
