“ Barbara,

*My mother just told me that your mother passed away. I want you to know I share in your loss. Many of the fondest memories of my life have your mother in them....she allowed me to basically LIVE with you as a kid, and I will never forget this.*

*I think fondly of you often, and I would love to hear from you and see you. Again, I am sorry for the loss of your mother. Virginia was a true lady. She will remain in my heart as such, always.*

“ Carol and Barbara,  
  
*I wish I could find a few magical words that alleviate your loss. I shall never forget your mother with her sweet disposition along with her smiling face. I enjoyed visiting with her every time I met her at Whitewood and Pulaski. I know she had been there for you, both a great deal. She was lucky to have both, two throughout her life. Although she is gone, you will always have many golden memories of Virginia. There will be times you will recall funny things happened with your mom in the good old days. She will missed a great deal. May God bless you and your family. With deepest sympathy.*
