“ *I will always remember uncle Walt. He was a good man. He was a proud father of five children. I will always remember when he would come and visit us when I was a little girl. It was always such a fun time. His smile and laughter will never be forgotten. I only wish that we could have seen him more. But the times we did see him, I will treasure forever.*

“ When you're the one left behind by a loved ones- the pain is very real. But there's a lot of comfort in knowing we'll see you again. And because of Christ's death, at some point our spirit and body will be reunited (resurrected) and made perfect never to be seperated again.Our Physical death is not the end, but rather a step foward in god plan. You will be missed, but we will meet again.

“ *Uncle Walt was a kind and wonderful man. I am so proud to call him my Uncle. He will be greatly missed by all. My Dad, Uncle Walt's brother told me stories about when we were little and one story really sticks to me. Dad said that my older sister Violet was being born at home and Dad & Uncle Walt was at work when they got the call that my Grandmother had delivered my sister. Uncle Walt goes and tells my Dad "Tommy come on we have to go Wizzie is giving birth." On the way Dad says Walt you don't have to leave work and Uncle Walt said oh yes I do these are my girls to!!*
I will always remember your smile & laugh Uncle Walt. You are the BEST!
I Love You and Miss You!!! You are Forever in my Heart.

“ *Uncle Walt As we walk through life,
We meet many interesting people.
Some we meet will make an impression on us.
The thoughts of others linger
only for a little while.*

*There are some people in this world
Who leave a footprint on our hearts.
While others only leave a faint memory
That quickly passes away
like a whisper in the dark.*

*You, my Uncle, have touched my heart,
Your kindness and generosity for others
Will assure people that there are
Some good souls left in this world.*

*There are some people in our walk of life
Who become our friends and will remain so.
I just wanted to let you know
that you have made a difference.
This difference has touched
thousands of hearts.*

*We will never forget you Uncle Walt you will remain in our hearts
and minds for many years to come. Your kindness and caring will be
passed down to so many people. Your love and respect will be
talked about for a very long time. Little George wants me to tell you
He loves you and will never ever forget you. Rest In Peace Uncle
Walt.*
