“ *I Loved sitting on the porch with my Aunt Wanda sipping sweet tea and feeling the warm Summer air. She used to come over to our house and make homemade fudge with my Mom. My siblings and I couldn't wait for the fudge to cool so we could snag a piece. As I got older and moved away we always keep in touch by telephone. We would converse about secret recepies*

“ Loved sitting on the porch with her having sweet tea and feeling the warm Summer breeze. Sometimes she would come over to our house and make homemade fudge with my mom. Best fudge you ever ate. My siblings and I could hardly wait for it to cool before we snagged a piece. As I got older and moved away we always keep in touch over the phone. She would always tell me secrets about cooking and we would talk about Jesus. She had a voice of an Angel. I loved to hear her sing. She is a treasure in the Lords hands now but she will always remain in my heart. Until I see you again my Loving Aunt Wanda. Love, Jane
