“ *To the family of Wanda Russell,
Our thoughts and Prayers go out to you in the passing of your dear loved one. In our younger years we spent time at their home playing Board Games and eating the delicious snacks Wanda would make. She and Gene had a lot of patience teaching us to play "AGGRAVATION" in particular and I am sure they became truly AGGRAVATED but we never knew it. They were wonderful friends and neighbors and we are looking forward to seeing them again. May God Bless and comfort you!

“ My sympathy and condolences are extended to Wanda's family and friends. Wanda was a dear person and, I'm sure, loved by all who knew. She shall be missed. I always remember when I was young driving by her house and seeing Gene and her sitting on the front porch and waving to them. Though I no longer live in Southwest VA, I had the pleasure of having some contact with Wanda over the past few years, having spoken with her a few times on the phone. I'm glad I had that opportunity.

“ Wanda had the soul of an angel. She always had a smile and a kind word for everyone. She had such a talent for making homemade candy. She held grace under fire. She will be missed by all. Love you Aunt Wanda!

“ Wanda was one of my dearest friends and I loved her. She was a mother to everyone at Midway United Methodist Church, family, and friends. Wanda would start cooking for a family as soon as she heard a member was sick. Flowers were sent from the church as soon as she heard one was hospitalized. Wanda would visit if you were sick, listen to you when you needed someone to talk to, lend a shoulder to cry on, give advice, or give a hug. She was always there. I had the pleasure of spending time with Wanda during one of her hospital stays. We had a great time. I had her laughing so hard. We made memories that week. God has certainly called an Angel home.

Adam & family - I send my love and prayers.
