Wanda, you among only a mere few made me feel like I had family. I always felt welcome in your home, though I had to put up with Jerry, LOL, and I am thankful for that. I love and miss you like crazy and I am sorry I didn't get to visit with you more than I did, living two states away is hard to battle with. Though I didn't see you as much as others, I loved you all the same and God truly has an Angel in Heaven with him today. I love you and miss you and the kindness, and love you have taught me and shared with me will never be forgotten!

Kayla Charles - April 22, 2013 at 08:40 AM

Me and mom said the same thing today. just because you lived so far away didn't mean you didn't love her just as much as I did.. Love you Kayla!
