“ I just can not find the right words to say what is in my heart. Wayne was a wonderful man and had the biggest heart. I will always miss him and can hardly believe he is gone. It was an honor to have had him in my life for those years. I am so sorry that his family has lost him at such a young age. He was very special and I am sure he will always be a guardian angel looking down on us all.
Sincerely, Gale

“ Wayne hired me in 1982 to work in High Point. He set an example to always put your best effort into whatever you are trying to accomplish. We became friends through our work, and remained friends for all these years. We last spoke this past summer. I'm very sorry for your loss.

“ Wayne was one of the kindest,smartest, and most genuine people that I've ever worked with. We spent many hours after work talking about life and how we all fit into the world. I know that he is in a better place now, but I will still miss him. My only regret is that we had lost touch in the last three or four years.

Cheryl and I wish to extend our condolences to his family.

“ Wayne and I go way back to the day's of Andco Industries....He was ALWAYS there for me to lend a helping hand. I know without question that Wayne is now resting with our Lord and Savior Jesus Christ. I am praying for y'all and know that I will think of Wayne and the kindness that he showed me for the rest of my life!!!!

“ You probably won't remember me, but I worked with Wayne at Andco many, many years ago. I am so sorry to learn of his death ... he was such a nice person and a joy to work with... always so helpful to me when I was just learning to use the computer....my heart goes out to all of his family in this loss.. “ Connie, Billie and family,

My heart breaks for your loss. Wayne was one of the nicest men and friend I have ever known. The world has lost a very knowledgeable man.

It's hard to understand why people are taken from us, but find comfort in knowing you were a special part of his life. I am so glad he had this happy time with you.

Please let me know if I can help you in any way.
