“ I would like to express my deepest sympathy to all of you and please know that you are in my thoughts and prayers. I just spoke with Jerry (Hodges) Moffett on the phone and told her about her Uncle Wilford passing away. She is very saddened and wanted me to tell you all that she loves all of you and she wishes she could be with you, but her health won't permit it. Please know that you are in her prayers, also. She asked me to print the obituary and send it to her. I will mail it tomorrow. Again, our love and prayers are with you all. You're special to me.
Love,
Glenda

“ *Janit,
Jonathan asked me to send this message to let you know he is thinking of you all and remembering you all in prayer. He is so sorry to hear of Wilford's passing. He is especially thinking of Richard and was asking about him.
(Glenda is sending this message for Jonathan. His internet service is out right now because of a lightning strike from a recent storm. He asked me to send it for him.)*
