“ *I never knew William but I knew his parents. When I was 16, I attended a Revival at his Dad's church in Squire. Me and several others were led to the Lord by William's Dad at that time. That was the spring of 1968. I still remember the song sung by his Mom at that Revival. It was called I can see the Lights of That City. Now William is with his Mom and Dad in the glorious City that's far away in Mansion just over the hill top.*

God Bless all of you,
