“ Sara, Aunt Thelma, Uncle Burb-Words can not express the sorrow of our loss. Billy is one of a kind and all of us will miss him. Our hearts are broken-but I know that God will help us and give us the strength. This is not the end- as Jr. always say" There are three stages of Life: The past of our memories, the present, and the future of being together again. Sara, I told Bradley you thanked him and here is his comment-"No thanks needed. Family helps family. We Love you all and our prayers are with you.
