“ *Even though I didn't know Steve that well what I did know of him was good. Every time I was around him he was always very nice and friendly. I can remember one time when I was younger he and my brother had a taco eating contest and they both eat about 15 tacos apiece. I can remember he always had a smile on his face and he was always ready to make you laugh. God bless you Steve.*

“ *Lynne and Chris,*

You know that I have only the fondest memories of Steve. In my mind, I can still see him in a Santa suit with my "little ones." He was such a joy!

I am so sorry that I couldn't be with you, but I do send my love and prayers. You were always so good to me, and I will never forget your many gestures of kindness.

May God give your comfort and peace.

*With love,
Anna*
