“ *All of my memories of Bill are of laughter and his smile. I cannot remember a time around any of the family that the sense of love and companionship were not present. I know there have been physical trials for all of the members of the family but my hope is the joy and warmth of Bill's laughter will help you smile again. A life well lived, well fought, and people who loved you well is a good life. Bless you all.*

“ *Betty, Melissa and William, we were shocked to hear that Bill passed away. Unfortunately, for us, we are in Charlotte, NC and can not be there to speak to you personally, but please know our thoughts and prayers are with you at this time, as you deal with your great loss. We have many fond memories of Bill and you, his family. Sylvia lost a high school classmate and I lost a friend. We both share our deepest sympathy.*
