“ *Daddy,*

I will miss the "I love you or daddy loves you. I will miss your phone calls and letters. I will miss your laugh and smile. You had a pet name for Kelia no one else called her "catsup" but you. I never asked why you nicknamed her that. I will miss your big strong shoulders we all leaned on. I will just miss my daddy. You have given me strength this past week and I have looked around and seen you in Myrtle, Tina, and John. I hope and pray your with grandma. I know you live on in us and we will get through this but one last time I need to say I love you daddy.
