“ I'm so sorry for your loss. I know exactly how you feel. He was a huge part of my memories of being young and coming up on the mountain. It's hard to imagine it there without him! I know he is in heaven with all of his brothers and sisters that have went on before him, and most of all he is with Jesus with no more sickness. Eventhough we don't say it as often as we should, we love you all and I will pray for you guys...because I know you have lost something special. God will be everything you need him to be! Love you all!
