“ I have cried a river of tears for my brother and friend for 53 years. Today the Lord spoke to my heart and revealed to me that Zane was with Him for eternity. Yes I and others who have grieved from the bottom of our hearts miss Zane and will never forget him. I am here to tell you that my brother is in a far more peaceful place than we could ever imagine here on earth. I know that the day when he has his arms out wide open to welcome me will be the reunion of all reunions! I cherish and admire what my brother did for those that knew him and grew up around him here in Tazewell. He was a quite and simple man, but his actions spoke loudly of the caliber of person he was. I love you brother..... until we meet again that beautiful sunny day.
