“ *Only two Sunday's ago we hugged and told each other how good it was to see each other again not knowing that it would be our last hug. I am thankful to God we had that little time together. The white afgan you gave me was so beautiful, I will cherish it always. I am sure our loved ones up in Heaven will be glad to welcome you home and Perry is standing there with opened arms to give you a big hug. It it so hard to say good-by but I know God has a plan for you. Until we meet again I love you. Delcia*
